### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: Applicant's arguments, see Remarks, filed 09/19/2005, with respect to claims 1-18 and 20-21 have been fully considered and are persuasive. The Rejection of claims 1-18 has been withdrawn. The claims are allowable over the prior art of record for at least the reason that the prior art fails to teach or suggest a heat sink clip for attaching a heat sink to an electronic package mounted on a socket, wherein a post pressing portion is fittingly received in a mating portion defined in the heat sink (a blind hole).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael V. Datskovskiy whose telephone number is (571) 272-2040. The examiner can normally be reached on 8-4:30.
